Cozy up to Cozi™

Cozi is one of those terrific yarns that feel as good to stitch as it does to wear. Beautiful knit or crocheted, Cozi creates a fabric that is, well, remarkably cozy. Because the yarn is composed of multiple harmonizing colors, your ponchos, throws and sweaters will have wonderful depth and texture. With colors like Toasted Almond, Fiesta and Blue Jeans, you get the idea.

So if you have a quiet moment this weekend somewhere between shopping, cooking and snacking on Thanksgiving leftovers, get started on a new Cozi project as a gift or for yourself. It knits and crochets quickly, so you'll have plenty of time to create something wonderful with Cozi in time for holiday gift-giving!
