New Projects at Caron.com

Greet fall with our knitted **Cozy Jacket** created with multiple strands of Simply Soft® and Simply Soft Heather. Pairing the two yarns creates a fashionable marled effect and a snuggly garment that will wrap you in softness and warmth.

For the little one in your life, why not crochet this sweet and simple rolled edge **Baby Pullover**, stitched in Simply Soft Baby. A little lighter in weight and accented with contrasting flecks of color, Simply Soft Baby is a great choice for your active tot.

You could be a winner, too!

Francine H. of New York, NY will receive 9 skeins of Simply Soft Paints yarn as this week's winner in the "Caron Connections Subscriber Appreciation Sweepstakes". You could be next!

When a new Doris Chan crocheted design comes into the office, we can't help but oooh and ahhhh. And her **Archena skirt** is no exception. Crocheted in multi-sized granny squares in all the colors of our bamboo-blend Spa yarn, the motifs are finished off with an easy crocheted flounce hem.

You Could Be Famous!

Jennifer C. shares this story about the charming baby blanket she made using Spa: "*I made a sweet baby blanket for a friend of mine who is having a baby boy...*

I used the Naturally Caron Spa in Green Sheen and crocheted the blanket using a variety of stitches. I can't wait to give it to her!" Create a project using NaturallyCaron.com yarns **Spa** or **County**, and we'll post the photo and your story in our Gallery!
