New Projects at Caron.com

We can't think of a more versatile style essential than this year's buttonless topper. Whether worn as a light jacket or a layered cardigan, our **Easy Shadows Jacket** shows off **Simply Soft Shadows's** subtle striping beautifully. And even better,

for the big and beautiful among us, this pattern is available in lovely larger sizes.

The time-honored beret takes on new life with **Simply Soft** in jaunty cables and textural seed stitch panels. Top off our **Cabled Beret** with a twist of i-cord and you'll have a knitted masterpiece that will turn heads and keep them warm at the same time.

You could be a winner ...

Join us in congratulating **Ann Q. of Joplin, Missouri**. Our latest winner, she will receive **NaturallyCaron.com Country** in Claret. All current subscribers and all new subscribers to Caron Connections will be entered to **win \$30 worth of free yarn**. Watch your email.

One of our favorite designers is Deborah Newton, who always comes up with unique and gorgeous designs. Our new **Turpan Cardigan** is no exception. The distinctive wheat sheaves and seed stitch textures on this versatile jacket, knit in Country, will draw admiration from one and all.

Crocheting for toddlers is such fun, and our **Lemon Drop Toddler Dress**—designed by K.J. Hay in bamboo-blend **Spa**—delivers on both fun and versatility. The bodice daisy detail is mirrored in the skirt and the roomy silhouette can switch from a summer skimmer to accommodate a tee and leggings for that fall trip to the playground.
