Save the planet one stitch at a time!

We'd like to introduce a brand new yarn from Caron—Simply Soft Eco. Every 10

skeins of this soft new yarn

saves 6 plastic bottles from America's landfills. Simply Soft Eco is a new blended yarn that consists of 80% of our Simply Soft fiber and 20% of a specially processed fiber produced from recycled plastic bottles. Simply Soft Eco is available at Wal-Mart in a broad palette of 34 solid and heathered shades. Keep in mind that you can use Simply Soft Eco in any pattern that calls for a worsted weight yarn, including Simply Soft. [Take a look and learn more here.](#)

Free Patterns

We've asked some of our favorite designers to dream up new patterns for Simply Soft Eco. Check out Kim

Drouin's glorious **Pineapple Shawl**, a lacy crocheted masterpiece that showcases the softness and drape of Simply Soft Eco beautifully. For our knitters,

we offer a lovely, classic **Cabled Vest** with long, flattering lines and our easy **Aran Baby Blanket** that offers the fun of easy aran

patterning. And to celebrate our freedom in this election year, you might want to crochet this clever **Vote Tote**.

You could be a winner ...

Join us in congratulating **Patti S. of Rock Spring, Georgia**, our latest winner. All current subscribers and all new subscribers to Caron Connections will be entered to win \$30 worth of free yarn. Watch your email.
