--------------------------------------	---

Pair a classic shawl with rich jewel-tone colors, you have something truly stunning, our **Harlequin Shawl**. Crocheted in **Simply Soft® Paints**, the **Harlequin Shawl** looks like it was made with an expensive hand-painted yarn. But you'll know you achieved a high-priced look with a very affordable (gorgeous!) yarn.

Now is a great time to start knitting this **Springtime Baby Blanket**, a super-soft, super-sweet crib blanket in **Simply Soft® Baby**. Machine washable and dryable (a must for the nursery), Simply Soft Baby has a unique texture that creates one-of-a-kind, yet inexpensive, projects that will be treasured for a lifetime.

Springtime brings so many wonderful things with it. Daffodils, warmer temperatures and lighter weight clothing. Parents of babies especially welcome spring, when easy cardigans replace layers and layers of bulky parkas and jackets. So to welcome spring for lucky little ones (and their parents), we offer **Turning Stone**, a wonderful crocheted hoodie, that at first glance looks like a vest. Trimmed in the color of spring and featuring contrasting sleeves, this easy project is the very thing to transition to a new season.

[Click here for free instructions for Turning Stone](#)

Spring is the season for bunnies, too. This adorable cottontale cutie is complimented by the coordinating striped pattern on the sleeves and body of our **Louisville sweater**. Sure to be your favorite toddler's favorite "woolie".
