--------------------------------------	---

This fun, breezy **Cowl Vest** in lustrous **Simply Soft**® is just the thing to help you transition your wardrobe from summer to fall. A super-fast and easy pattern, the vest is worked with 3 strands of Simply Soft held together. In this case, two strands of Bone and one strand of Off White. The effect is a tone-on-tone heather look that adds color depth while you make swift progress. The lacy open weave of the stitch can be paired with a long sleeved tee in similar or contrasting color for very different looks. Enjoy!

As you may know, we are huge fans of "the wrap". An incredibly versatile wardrobe essential, a beautifully designed wrap can keep you warm, flatter your figure and establish your indisputable flair for fashion. Our Queensland wrap, designed by master knitter Betty Monroe, accomplishes everything a wrap should and more. Bobbles and eyelet, plus a lovely picot edging bring out the best in the four harmonizing colors of merino-blend Country.
