**New Free Pattern**

The gradual self-striping effect of **Simply Soft®**

Jacket

**Shadows** adds unique sophistication to this uber-comfy **Dolman Jacket**. Wide-ribbed cuffs and dolman sleeves give it both style and wearability on the weekend or at work.

Designed using square crocheted medallions, the **Aurora Vest** is an ideal layering piece for your favorite teen or pre-teen! To give the vest subtle shaping, the upper medallions are joined with shorter chain lengths. And the lower medallions are joined with longer chains, letting more of the fabric behind the patterning show through. Because it's stitched in light-weight bamboo-blend Spa, the **Aurora Vest** has wonderful drape and can be worn in practically any season. Perfect!

There's nothing more versatile for anyone's wardrobe than a simple but elegant short jacket and Melissa Matthey has created just the thing. Knitted in Country Renaissance Rose, the **Baton Rouge** cropped jacket easily glides between seasons and climates. The gentle shape of the slight flare, both in the body and the sleeves is so flattering. And the front eyelet edging perfectly complements the stitching on the body.

The stitch is a combination of knit/purl stitches with very easy yarn-overs to create the vertical eyelet rib patterning.

And the interesting way that Melissa designed the front gives the **Baton Rouge** jacket bona fide style.
