We're not sure what's more appealing about this versatile **Cabled Vest** —the delicate texture created with easy cables or the deep vee neckline that flatters every shape. **Simply Soft®** gives this fashion staple maximum drape, plus the huge selection of colors gives you tons of options to

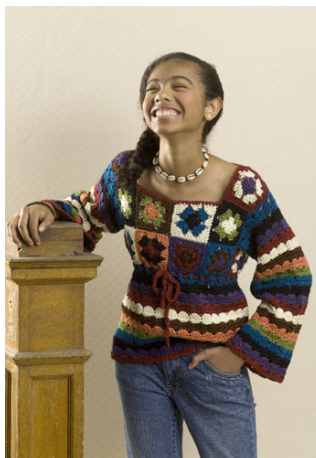

refresh your existing fall wardrobe.

**F**all, that great transition season is upon us, when we knitters and crocheters think fondly of all those snuggly sweaters ahead. But it's not quite sweater weather yet, so we offer the perfect transition project, the **Alpharetta Hoodie Vest**. Knit in bamboo-blend **Spa**, this vest features cap sleeves, reverse pleats and a generous hood for style and warmth. We can see this versatile vest over wide-leg slacks or a long romantic skirt. Just give yourself time to make more than one in every color to complement your wardrobe.

Back to school has never looked this good! Showcasing the bold colors of merino-blend **Country** yarn, Kim Biddix uses granny squares and shell-stitch stripes to create the **Cushman Top**, a contemporary look for your teen. Nine motifs make up the playful square-necked bodice, while the stripes of the skirt and sleeves unite the palette beautifully. And as a final teen-pleasing touch, this soon-to-be-favorite top features generous bell sleeves. It's a must-make for the new school year!
