Our favorite time of year is fast approaching—time to cuddle up on the sofa with a good book,

a cup of tea and a cosy hand-made throw. Crocheted in our very affordable **One Pound** yarn, this classic **Flower Throw** will make for a cosy evening and at a great price, too. In fact, you might want to stitch up several, one for

every lucky person on your holiday gift list!

Congratulations!

Our Take 5 Survey has just ended and we've learned so many interesting things about how you use and shop for yarn. Our thanks to everyone who participated.

As promised, it's time to announce the winners of a \$25 gift card to the retailer of their choice!

We are so lucky that talented designers such as Lisa Gentry love to work with our yarns. This week, Lisa brings us a very versatile, very fashionable, very wearable **asymmetrical vest** in merino-blend Country yarn. Knit with two harmonious colors—Plum Pudding and Loden Forest—this elegantly simple vest features an unusual notched and ribbed collar and three off-set buttons. The **Fargo Asymmetrical Vest** is sure to become a fall favorite this season.

Speaking of talented designers, crochet designer extraordinaire Vashti Braha has dreamed up a magnificent crocheted cropped jacket with sleeves "to die for". This magical **Tokyo Jacket** makes a bold statement, from its gorgeous drape and silhouette to its memorable details. Be sure to check out the [close up images](#) to get the full effect. We see this paired with a fluid black tank and trousers or over a sleek below-the-knee dress. Any way you wear it, you are sure to turn heads.
