If you are familiar with traditional African textiles, then this stunning **Bamako Mud Cloth Wrap** and matching **Kufi** is for you. Recreating a traditional mud cloth design in crochet, designer **Margret Willson** uses geometric shapes and the rich color palette of Country yarn for dramatic effect. And when not using Bamako as a wrap, it makes a fabulous throw in any decor. The matching Kufi hat design draws from the traditional West African headgear—beautiful and warm, too.

Yes, it's true, toddlers are very satisfying to knit for. It's easy to find quick projects that look absolutely darling and our **Eastman Toddler Top** is no exception. It's a great example of an easy, quick and cute-as-a-button design. Plus, since our very own **Cari Clement** designed Eastman in both Spa and Country yarns, it's soft and machine-washable, too. From the v-neck to the crochet edging, what's not to love?
