Look around the sweater racks in just about any clothing store these days and you'll see a fair amount of of Fair Isle knitwear. Inspired by the resurgence of this time-honored knitting technique, Kathy Perry gives us a fabulous Fair Isle design in the **Boden Pullover**. Using just 4 complimentary colors of Country, Boden features a patterned neckline and shoulders to give this sweater even more style on the slopes—or in the supermarket.

This slim little vest will find a place in anyone's wardrobe. Light and lacy, but with subtle shaping, **Edenvo** is always flattering. It looks equally good when worn over a turtleneck or a tee and because Kim Kotary used bamboo-blend Spa for her design, this vest will drape beautifully and never add extra bulk. For a fantastic wardrobe finisher, choose Edenvo.
