**Free Doris Chan Pattern**

Start the New Year with one of our favorite patterns from premier crochet designer Doris Chan. This **Lacy Duster** is a celebration of femininity and style in Simply Soft. For a dramatic look in cold weather, wear it over a long black dress; in spring, pair it with a little

spaghetti strap dress. Either way, the incomparable design and drape will turn heads.

**W**hy not start the new year with two free patterns from Doris Chan? In this exquisite Zen Jacket, Doris adds her signature details that make all of her designs truly special. In Zen, she's created a slenderizing jacket that features long draped ends in the front of the jacket, lovely edging, and an artfully constructed back. Stitched in one of the most popular colors of Spa, the **Zen Jacket** may become your favorite garment of 2010!
