Aztec Shawl
Margret Willson is well known for her distinctively patterned designs. Her *Aztec Shawl*, creates visual drama with just three colors of *Simply Soft*® and *Simply Soft*® Heather. It's the mosaic stitch that creates the magic in this shawl, and the

generous fringe finishes off the triangular shape with elegance.

We think designer Tammy Hildebrand is right on target with her fabulous *Paradores Infinity Scarf*. The cowl look is so popular right now, perhaps because it's easy to wear, or because it so flattering. Either way, Tammy's design is a standout. Crocheted in three colors of bamboo-blend *Spa*, *Paradores* can be worn as an infinity scarf, or as a flattering lace wrap. Be sure to check out the alternate views on our model.

Special Note

Tammy Hildebrand is one of our favorite designers, and we know her work is incredibly popular with crocheters all over the country. What you may not know is that Tammy and her family have been dealing with a serious medical condition. Please visit www.helpptammy.com to learn how you can help.

Designer Andrea Graciarena created the *Kiel* scarf, in two colors of merino-blend *Country* in two complimentary knitted sections. An easy 2-color garter section joins with a fantastic textured section that's created by wrapping the yarn around the needle on the first row then wrapping 4 stitches on the second row. The color combination and the stitch counterpoint make this scarf fascinating to make and fun to wear.
