"Crocheting is so relaxing." That's something we hear time and time again. We know you'll be saying it even more when you're stitching this lovely lacy summer throw. Designed by Kimberly K. McAlindin in four soft hues of **Simply Soft®**, our **Lacy Square Throw** is a wonderful beginner-plus project that will bring relaxation while you are making it and when you wrap yourself up in it when the stitching's all finished.

While you usually know Kim Guzman for her fabulous crochet designs, Kim has expanded her repertoire to include knits as well. The **Kalari baby kimono jacket**, knitted in **Spa**, is a perfect example of Kim's skills as a designer, now for knits. The kimono jacket design is such a favorite with new moms, we had to include one for spring/summer wearing. The double fronts make dressing easy – and **Spa** keeps him so comfortable!
