If you're planning a winter wedding this year, it's a good time to get started on this spectacular knit and crocheted **Winter Wedding Dress** designed by Susan Shildmyer. Whether you make it as a mother of the bride dress, or longer as the bride's gown, this design will make anyone wearing it feel special on their special day.

A lovely summer day has just ended. You are sitting on the deck in your favorite chair to watch the fireflies come out. A breeze picks up. What do you do? Go inside or reach for Kim Biddix's **Random Squares Throw**? This lovely lacy, but very cuddly throw, is just right for cool summer evenings on the porch, the deck, the beach

or sitting by a river. Plus, the simple medallion motif crocheted in your favorite collection of colors is the best soothing summer pastime we can imagine.

The **Evian Vest**, designed by Kim Guzman, is the perfect accent over just about any summer look. Knitted side-to-side with short rows, the Evian is so effortless. The short row shaping is ideal for those of you who are new to short-rowing. It's so easy and, once you get a few rows down, you won't have to count stitches or rows for the rest of the piece.
