I've had so much fun over the past two weeks, watching people crochet the **Urban Jungle Beanie** and share pictures via the web! I'd love to share some of those pictures with readers of the **Caron Blog**, so if you haven't already, please add yours to either our **Flickr Group** or **Facebook** page.

Thanks!

Not a crocheter? Don't fret! I just cast on for a knit version of the same style beanie using **Simply Soft® Paints**. Stay tuned for the pattern, coming soon!

We are so delighted at the recent popularity of cowl infinity scarves. You can't open any fashion magazine these days without seeing one draped around the neck of a celebrity or two. Easy to make, easy to wear, they provide instant yarn gratification at its best. Marilyn Losee's **Cozy Cowl**, knit in

**Simply Soft® Eco**, is wonderfully soft, with deep ribbing and lovely drape. So quick and easy to make, you'll want to stitch a few--one to complement every outfit!

—and treasured—for years to come.

...because I thought it would be a good silhouette for so many other crocheters, so I wrote up the pattern and took a shot of the jacket. " We're so glad you did, Cari, and we hope you are, too.
