Who couldn't use a little extra, razzle-dazzle in their stitching lives? Well, **Dazzleaire** is back to add just that. In vibrant colors with just a dash of sheen, this yarn is a glimmer of crafty sunshine for the upcoming cooler months. I love a chunkier yarn, and with colors like Fern, Clay Pot, Aubergine and of course, Cerulean—it's hard not to want to start a bunch of projects at once! **Dazzleaire** is perfect for stuffed toys, toddler coats,

throws, pillows, scarves, and much more. Enjoy!
Stitch.Rock.Love,

Vickie
