Vickie Howell  
for **CARON**

Look What's  
New ... **CARON**

I've been in love with Spa and Country yarns since they first came out - soft to work with, and soft to wear - and I can make things for Clover and the boys that I can toss in the wash. That's a huge plus! Most of all I love the yummy colors -- and now there are six new Spa colors to love! So take a look at some of the patterns I've designed with these yarns -- **Doris Scarf, Shady Beanie, Clo Poncho, I Felt Square, Flopsy Hat** and

**Cardigan Neutral** -- and get started on something soft and yummy for the fall.

Stitch. Rock. Love

*Vickie*
