Hey, everyone! As promised, we're finally bringing you my design for the knitted version of the popular crocheted hat, **Urban Jungle**. The new version called, **Urban Planner**, is worked in Blackberry Stitch to give a similar texture as created with the crocheted, Puff Stitch. Urban planner is worked up in **Simply Soft Paints "Sticks & Stones"** but would look just as great in any of the other seven other Paints colorways.

Please continue sharing your finished beanie photos in our [Flickr](#) pool, [Ravelry](#) forum and/or [Facebook](#) page--we love seeing 'em!

*It's a family affair as Vickie's children, Tanner (10), Tristan (8) and Clover (16 mos.) take a field trip with mom, to get the latest issue of Crochet World. That's Vickie & Clover in a Simply Soft® ad on the back cover of the mag!*
