Vickie Howell
for **CARON**

I dig checking in with the **Cuckoo for Caron Flickr Group** to see everyone's projects. This week I thought I'd share a few photos from the group. I love **Joycef_2's** hat, knit in NaturallyCaron.com's Country; **Kim White** looks beautiful in her Whirlwind Wrap; it's hard not to squeal at **KnitSmith's** Simply Soft wee Hallowig; I covet **Alice Thelma's** leafy scarf, made with NaturallyCaron.com's Spa! Gift giving season is right around the corner, which means that gift-making season is here. This week we offer 3 fabulous and easy giftable new designs. Enjoy!

Criss-Cross Cowl

In case you haven't noticed, the cowl is this fall's favorite fashion accessory. Easy to make and easy to wear, Rochelle Johnson's **Criss-Cross Cowl** is extra-special in **Simply Soft® Paints**. The fabulous color and beautiful crocheted texture means you can create one for every fashionista on your gift list this year. >> [Get the Criss-Cross Cowl instructions](#)

Easy Moebius Wrap

Imagine draping an ultra-soft, light-as-a-feather **Dazzleaire** wrap around your shoulders on a chilly evening out. Now imagine that wrap is hands-free with a fabulous twist in the front. A subtly textured-stripe knit design from Marilyn Losee, the **Moebius Wrap** is easy to make, even easier to wear and absolutely gorgeous. You might just want one in all 14 shades of Dazzleaire. >> [Get the Moebius Wrap instructions](#)

Ruffle Neckwrap

There is something both Victorian and flirty about Lisa Gentry's charming **Ruffle Neckwrap**. Because it's crocheted in **Simply Soft®**, you know it's going to feel good around your neck and the ruffles will drape just right. Pair it with a vintage cardigan, or let it perk up an old favorite in your closet. >> [Get the Ruffle Neckwrap instructions](#)
