Before we put 2010 behind us, I thought it might be fun to show you which projects were your favorites throughout the year. I am very pleased and humbled to see that my Urban Jungle beanie made the top of the list! Just click on an image below to see the full pattern for each of the fan faves.

Center Square Shawl

As beautiful as it is unique, Randy Cavaliere's **Center Square Shawl** will draw oohs and aahs anywhere you go. A narrow edge of Simply Soft Paints borders this fabulous crocheted shawl and complements the center of the back motif. Plus, the generous fringe adds just the right accent.

In Flight Hat

Since wintry temperatures will be with us for a little while yet, you have plenty of time to knit this adorable earflap **In Flight Hat**. Because Marilyn Losee chose Simply Soft® Chunky for this cozy piece, it works up very quickly. She's added some easy intarsia (a Cowhican bird design), a bold pompon and sweet pompon tassels.
