My workspace is currently an office within my kitchen; a "koffice" as I like to call it. This week I'm doing a little pre-Spring cleaning, which included organizing my newly acquired **Sheep(ish)** stash. I thought I'd share a picture of it with you because really, only other knitters and crocheters will appreciate it as much as I do. There's something about beautiful

yarn on display that just induces happiness, don't you think? [Stitch.Rock.Love](#),

P.S. Look for Sheep(ish), in stores and online in June!

Earth & Sky Scarf

Our very own Cari Clement has designed a fluid, charming and very versatile crocheted **Earth & Sky Scarf scarf** in two perfect shades of Simply Soft®. The easy pattern and extra long length make this scarf easy to make and easy to wear in so many ways.

Urban Granny Throw

Pair a familiar granny square pattern with a sophisticated palette of stellar colors of Simply Soft® and you have Margret Willson's outstanding **Urban Granny Throw**. The easy motifs produced in "grown up" hues result in a project that can claim vintage influences with a modern sensibility.

Cabled Wrap

We love this ingenious **Cabled Wrap** from Isabelle Boutin. Knit in a single shade of Simply Soft Chunky, this wrap features a self-tie belt and fabulous textured cabled stitches. Wear it over a long-sleeved tee or a cowl-neck sweater for extra warmth.
