I love Kelly Klem's adorable, **Dolphin Bay Baby Top**—since it's knit-up in NaturallyCaron.com's Spa, it'd be perfect for my daughter Clover and Austin's already-too-hot weather! Alas, though, I don't do much non-work knitting these days, so I have to settle for perusing other knitters' fantastic FO's. Here are just a few shots from Ravelry of some your Dolphin Bay Tops!

Garden Walk Throw

One of our favorite things about working with talented designers like Kate Steinke is how they use the Simply Soft® palette of colors in a whole new way. In her crocheted **Garden Walk Throw**, Kate has pulled from Simply Soft and Simply Soft Paints to create a spring garden tapestry of color that flows so beautifully across her "canvas".

Ashley Vest

This kicky little knit vest has everything going for it. Designer Kimberly K. McAlindin has paired an easy delicate lace stitch with long lines for a lean silhouette to flatter every figure. Wear the **Ashley Vest** over a tank top or tee to instantly crank up your style quotient.
