CARON free patterns

I'm so excited to FINALLY be able to "officially" tell you all about what I've been working on with the Caron folks for the past 9 months. At the end of this month, **Sheep(ish)**, the first yarn in my **Stitch.Rock.Love** line, will hit stores! It's a very versatile, roving yarn made in an acrylic/wool

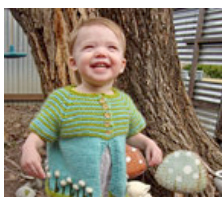

blend, which means super soft and equally easy to care for. It comes in 21 colors that I hand-picked; each representing a love for retro-chic style but with a modern sensibility. Here's a [little video](#), where I talk about my inspiration behind the line.

Pssst! Guess what? Even though we have a few more weeks until **Sheep(ish)** hits shelves, you can get it before anyone else! Click on over to [BuyCaron.com](#) right NOW and be the very first to get the yarn, before it's in stores.

Need a project inspiration? Check the [Cloverfield Cardigan](#) I designed for *Petite Purls*. Knit in colors: Robin's Egg(ish) & Chartreuse(ish)—it's the perfect piece for your wee one this Spring!

Hope you love **Sheep(ish)** as much as I

Triangle Trellis Scarf

Soft and summery, Tammy Hildebrand's yummy **Triangle Trellis Scarf** is crocheted with **Dazzleaire** and **Simply Soft®**. The color combination is absolutely lovely, reminiscent of a deep ocean bay, and the open mesh stitch (worked in **Dazzleaire**) and beautiful picot edge (worked in **Simply Soft**) create what is sure to become a summer favorite

Cancun SpaTunic

We love NaturallyCaron.com **Spa** for summer. The bamboo-blend and slightly lighter weight are perfect for warmer temperatures. Designer **Ann E. Smith** clearly likes **Spa**, too, as she has used it to create an exquisite summer tunic. The **Cancun Spa Tunic** features a delicate eyelet stitch, gorgeous neckline and hem details.

Perdido Baby Blanket

Reminiscent of an heirloom quilt, **Delma Myers's Perdido Baby Blanket**, crochated in bamboo-blend **Spa**, is a light and lovely summer-weight baby blanket. We love the diagonally placed

do. Oh, and check in frequently over at BuyCaron.com, for new patterns & scoop!

Stitch.Rock.Love,

squares and Leima's counterpoint use of color.
