"Banana Curlz"

Curlicue Hair Bows

with

SIMPLY SOFT
Brites

By Beth Madland

TECHNIQUE USED: Crochet

MATERIALS

Caron International's Simply Soft Brites: 1 skein color of your choice
Crochet hook size G (4.0 mm)

INSTRUCTIONS

Crochet chain 14 stitches.

Working in the top loop of each chain work 6 double crochets in the fourth chain from the hook.

Work 7 double crochets in each remaining chain (there should be ten more chains left.) Keep your hook in the final loop. You should have a nice curlicue shape.

With the crochet hook in a loop at the top of the curlicue, chain 30 more stitches.

Now you are going to create another curlicue. Work 6 double crochets in the fourth chain from the hook.

Work 7 double crochets in the next 10 chain stitches. There should be about 15 chain stitches in between the curlicues. Use this area to tie around a pony tail.

Cut the yarn off, pull the yarn through the final yarn loop and finish the project by weaving the loose string through the curlicue.

Please note:

You can tie this around a pony tail like a hair bow.

You can make matching curlicue hair bows for pig tails.

If you want a longer curlicue just plan to do the double crochets over a few more chain stitches. You will need fewer chain stitches if you want a short curlicue.

These can be made into key chains and book marks.
