Please keep in mind that you should always begin with a gauge swatch and be sure to convert yardage for any substitute yarn.

Crochet hook size US J/10 (6 mm) for fringe
Tapestry needle (tn)

NOTE

Shrug is worked as a rectangle approximately 36" wide by 42" long, then folded in half lengthwise and seamed for the sleeves.

For a finished edge at each side, slip the first stitch of each row.

SHRUG

Using MC, *loosely* CO 130 sts.

(RS) Begin St st; work even until piece measures 36" from beginning.

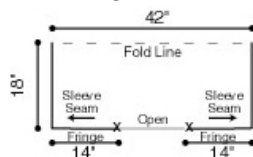

BO all sts loosely.

FINISHING

Fold piece in half lengthwise; measure 14" from each side and place a marker for sleeves. Beginning at one side edge, sew CO and BO edges together from edge to sleeve marker. Repeat for opposite side, leaving center open. Using tn, weave in ends.

Fringe

Using both colors, cut strands 15" long. Holding 4 strands of MC together, fold fringe in half. Using crochet hook, * insert hook from WS to RS into first st along one Sleeve edge, pull through loop, insert ends into loop and pull tight against edge; repeat from * across, alternately using 4 strands of MC and 4 strands of CC, attaching in every other stitch, or spacing as desired. Trim Fringe, if desired, to 7" in length.
