SPECIAL TERM

Fsc: Foundation single crochet (This technique creates a foundation chain and a row of single crochet stitches in one) –

Step 1: Place a slip knot on hook, ch 2, insert hook in second ch from hook and draw up a loop; yarn over and draw through one loop on hook (the "chain"); yarn over and draw through 2 loops on hook (the "single crochet").

Step 2: The following stitch is worked under the forward 2 loops of the stem of the previous stitch (into the "chain"). Insert hook into the face of the "chain" and under the nub at the back of the "chain", draw up a loop, yarn over and draw through one loop on hook (the "chain"), yarn over and draw through 2 loops on hook (the "single crochet"). Repeat for the length of foundation.

HELPFUL

If a wider wrap is desired, add 7 chains or Fsc for each additional repeat desired. For a narrower wrap, subtract 7 chains or Fsc for each repeat to be reduced.
